

Globe opens new office in Maputo, Mozambique

Globe Metals & Mining (“**Globe**” or “**the Company**”; ASX: GBE) is delighted to announce the expansion of its African operations with the opening of a new office in Maputo - the capital of Mozambique.

Globe’s Managing Director, Mark Sumich said, “We have been operating in Muambe a long time and see the region as very prospective - the opening of our Maputo office supports Globe’s planned growth strategy in Mozambique.”

Globe currently has the Mount Muambe REE-Fluorite Project in Mozambique, and four projects in Malawi: the Kanyika Niobium Project, the Machinga REE Project, the Salambidwe REE Project and the Livingstonia Uranium Project.

The Maputo Office opened on 12 October 2011.
